13 The following MINUTE ORDER is made by direction of the Court, the Honorable
14 Ricardo S. Martinez, Chief United States District Judge:

15 On January 8, 2018, Plaintiff moved this Court for an extension of time to propound her
16 own discovery requests, including a potential deposition notice. Dkt. #45. Plaintiff recognized
17 that the discovery deadline in this matter is approaching on March 12, 2018, and explained that
18 she has responded to Defendants' discovery requests to date. *Id.* However, she seeks a 45-day
19 extension of the discovery deadline to propound her own discovery, due to the fact that she
20 recently suffered a stroke. *Id.* She explains the result of her stroke is that everything is taking
21 her much longer to accomplish. *Id.* Defendants do not oppose a 45-day extension of time. Dkt.
22 #46. Accordingly, the Court finds good cause for an extension of time, and **GRANTS** Plaintiff's
23 motion (Dkt. #45). **Plaintiff shall have until April 16, 2018, to complete any of her own**
